

Dear Saint Joseph Regional School Families and Supporters,

Our Saint Joseph Regional School Spring Gala will take place on Friday May 14th, 2021 at the Linwood Country Club. This event is sure to be an unforgettable evening that brings together SJRS families and community supporters with a live band, delicious gourmet food, plenty of cheer and lots of opportunity to take a chance on fabulous raffle baskets as well as amazing silent auction items.

This year it is our privilege to honor Dr. Jeanne Rowe, Chief Medical Officer at Shore Medical Center, the Shore Medical Center Employees as well as our local community heroes and the entire Saint Joseph Regional School Faculty and Staff.

As we celebrate our Annual Spring Gala, Dr. Rowe, the Shore Medical Center Employees, and all our community heroes, we are encouraged to continue to have faith, strive for excellence and to be of service to God and to our community.

We understand that we live in a different world than we did just months ago. Our mission to serve the students at Saint Joseph Regional School has never been more important and the students are the center of everything we do.

As in years past, we look to our generous community supporters to help make our Spring Gala a successful event. We have sponsorship opportunities available, all sponsorships and donations are gratefully accepted and greatly appreciated.

Thank you for your steadfast commitment to our school. Your contribution will ensure the continued success of Saint Joseph Regional School for our current students as well as future SJRS students.

Respectfully,

The 2021 Gala Committee

*May the God of hope fill you with all joy & peace as you trust in Him,
